NATIVE TREE SEEDS

We specialize on the seeds of the conifers native to the Northeastern states. These seeds are picked in the cone and brought directly to our modern seed extracting plant where the cones are cured and the seeds extracted by our own skilled men.

Send us a list of the seeds you will need and we will quote prices.

WINDOW BOXES

Make the home more attractive this fall by filling your window boxes with Evergreens. We have a large assortment of trees suitable for this purpose and will gladly help our customers make selections.
